Victoria Park
Infant School

Every day, each and every one of us try our best to be... **STARS**

Dear Parents/Carers

It has been brought to my attention that there has been a number of cases of headlice in school. It is advisable that children with long hair have it tied back for school.

Please could you check your child's hair tonight. If you detect evidence of headlice in your child's hair they must be treated before they return to school to stop the spread. If you find there is a problem, **contact your local pharmacy or health-centre** who will be able to advise you.

Kind Regards

D. Vrlec
