Reception Newsletter Spring 1

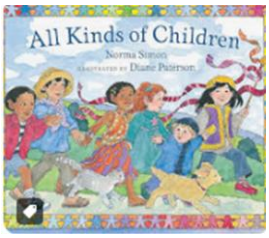

Welcome back! We are excited to start our next half-term in Reception. We are very proud of the children- they have settled back into Reception/School life very well after the Christmas holiday. This half term we are starting a new topic – "What a Wonderful World". It will be a busy half term with lots of fun activities and lots more learning.

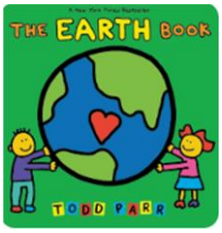

What is happening in Reception this half term?

This half term we will continue to learn Floppy's Phonics level 2 sounds. We will be taking a close look at our feelings and emotions and what is a good friend. We will discover how to keep ourselves healthy.
In maths we will be exploring number and shape, understanding zero, comparing numbers to 5, composition of 5, growing6, 7, 8, adding more, comparing height and length, days of the week and measuring height and time.
Our focus books in Reception are Here We Are by Oliver Jeffers, Meet the Planets by Bethan Woolvin, All Kinds of Children and The Earth Book by Todd Parr.

We will be finding out about and exploring Our Wonderful World.
We will continue to learn how to keep our minds healthy in our Think Equal sessions.

Things you need to know and diary dates-

- PE will be on Tuesday and Friday this half term
- Please continue to pay your reception fund through ParentPay
- Please remember to comment in your child's yellow reading record book each time you read with them
- Please remember to put your child's name on every item of clothing, including hats, scarves and gloves.
- Please check the website on a weekly basis for regular updates and photos of the exciting things have been happening in Reception.
- School closes on Friday 13th February for half term
