Victoria Park
Infant School

Every day, each and every one of us try our best to be... **STARS**

Good afternoon,

We are starting the fourth week in our school year and I hope that the children are starting to share parts of their school day with you. Please remember to ask them about the Time To Talk, photograph of the day – todays picture generated lots of different ideas!

The Word Of The Week is:

Trust

In assembly we talked about how trust is when you believe someone is honest and will keep their promises. It means that you can count on someone or something to be reliable and how trust helps us to build strong friendships and good relationships with our family. Encourage your child to think about the word 'trust' and to use it in conversation.

A few important reminders:

- School starts at 9am. Please be in the playground a couple of minutes before, ready for the bell. If you are running late (and there are no staff in the playground) please take your child to the office at the end of the black railings. Do not go to the doors off the playground as they will miss their registration mark
- Year 1 have their Meet The Teacher meeting on Tuesday after school (3.30)
- Reception have their Meet The Teacher meeting on Thursday after school (3.30)
- Please remind your child to follow our school rules and keep of the climbing frame before and after school.
- We ask that nobody rides their bike or scooter in the playground – instead, dismount and push it within the school grounds please.
- If you bring your dog to school, tie it to the railings inside the car park. Many of our children and families are scared of dogs so please do not tie them up on the inside of path
- We have noticed that some children are coming to school in the lovely warm, green fleeces. However, these are too warm to wear in the classroom but as it starts to get chillier, a t shirt alone is not enough. The zip up fleeces are meant as an outdoor garment not a replacement for a jumper

Well, that's a lot of 'reminders' so I will sign off for now!

Thank you for your support, getting your children to school on time, enthusiastic and ready to learn. It is the best way to start the day

Yours sincerely

Mrs Walkden
