Victoria Park
Infant School

Every day, each and every one of us try our best to be... **STARS**

12th October 2026

Another busy week ahead in school but I am sure it will be filled with hard work and friendship!

Our Word of the Week, this week is:

Fair (Fairness)

When talking to your child about what it means to be 'fair', you can talk about it in terms of taking turns when playing with a toy, playing a game where everyone follows the same rules, sharing cakes or sweets. Talk about how it involves everyone having the same chance to enjoy and participate. Recognising what is needed in the moment, to ensure that everyone feels included and valued.

This week's updates:

- I wanted to let you know that Miss Vrlec is not in school at the moment. She will be off for the next few weeks but I will keep you updated. In the interim, if you have any concerns or queries, please see you child's class teacher, any of the staff in playground or you can speak to me directly.
- Miss Myles, one of our first aiders, started a very important piece of work last week, to support pupils in school with allergies, asthma and eczema. Miss Myles will be consulting with the last couple of parents today
- Although our school, as an infant school, is not eligible for the "School Games Award", I am incredibly proud of the sporting provision in Victoria Park Infants. I think we should still celebrate the children's the enthusiasm, determination and love of sport and the dedication of Mrs Gill and our staff, in providing a wide range of sporting opportunities
- We would like to invite parents/carers to a workshop on Thursday 4th November, 4-5pm, for Phonics, handwriting and calculation. More information will follow nearer the time.

Wishing everyone a happy and healthy week

Best wishes

Mrs Walkden
